[illegible]

A large grid of dots, approximately 30 rows by 30 columns. The dots are arranged in a regular grid, but many dots are missing, creating a sparse pattern. The missing dots are concentrated in the upper right quadrant, forming a large, irregular shape that resembles a stylized letter 'C' or a bracket. The remaining dots form a solid block on the left and bottom, with some scattered dots in the upper left and middle sections.

A 20x20 grid of dots. In the center of the grid, there is a large, stylized letter 'A' formed by a pattern of dots. The 'A' is composed of a vertical stem on the left, a vertical stem on the right, and a horizontal crossbar. The dots forming the 'A' are slightly larger or more densely packed than the background dots. The 'A' is positioned such that its top is near the top center and its base is near the bottom center of the grid.
